

FEATURES

PVC-FREE CONSTRUCTION

SONO Eclipse is PVC-free rigid core flooring crafted using durable food-safe, medical-grade polypropylene, most commonly used to make a variety of consumer products such as baby bottles. By combining polypropylene with a mixture of natural minerals we can create a composite core that is PVC-free, waterproof, inert and strong enough to withstand the rigors of daily use in the busiest households.

CERTIFIED SAFE

SONO Eclipse contains no PVC, formaldehyde, phthalates, or plasticizers and is GreenGuard Gold and Blue Angel certified.

WATERPROOF

SONO Eclipse's unique composition is waterproof making it ideal for installations throughout your home, including kitchens, bathrooms, or below grade.

DURABLE PERFORMANCE

SONO Eclipse is designed to withstand the challenges of everyday life in the busiest of households. It can stand up to spills, scratches and pet accidents, and will not fade or stain.

EASY INSTALLATION

Quick and simple floating installation with a patented angle-drop locking system allows for installations up to 10,000 square feet without the use of transitions.

LOW MAINTENANCE

SONO Eclipse floors are easy to clean. They do not require special or expensive cleaning agents and are safe to clean by wet, damp, and steam mop.

ATTACHED UNDERLAY

Designed specifically for SONO Eclipse, the pre-attached underlay provides built-in acoustical performance. It is permanently attached, making it safe for installation on stairs.

WATERPROOF

STAIN & FADE RESISTANT

EASY TO CLEAN

FAMILY & PET FRIENDLY

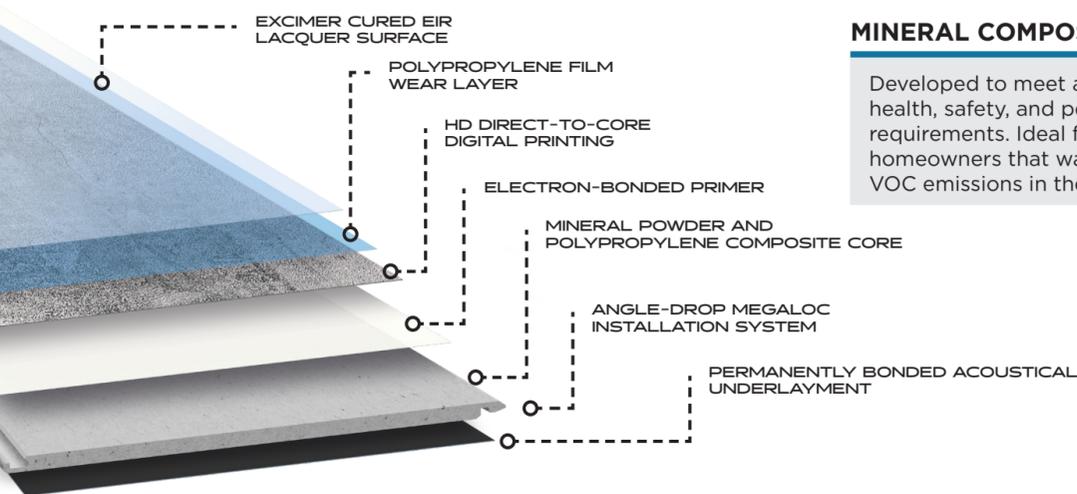

SCRATCH RESISTANT

ATTACHED UNDERLAY

COMPOSITION

MINERAL COMPOSITE CORE

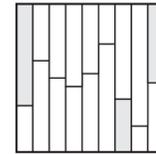

Developed to meet advanced health, safety, and performance requirements. Ideal for homeowners that want to reduce VOC emissions in their homes.

COLOR VARIATION

The SONO Eclipse collection offers three levels of plank-to-plank color variation. Each individual SKU is rated according to its unique look and design.

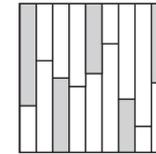

VARIATION: LIGHT

- Slight contrast
- Consistent floor with a uniform look

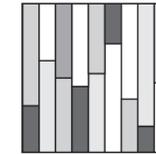

VARIATION: MEDIUM

- Moderate contrast
- Floor with subtle tonal changes

VARIATION: HEAVY

- Pronounced contrast
- Dynamic floor with bold character
