MANOR

No A & B planks

Manor is equipped with our patented Megaloc® twin lock installation system. This unique and innovative system features a compatible locking mechanism that enables planks to be installed in any order into a herringbone pattern with only one plank (no A and B plank). It is fast, easy to use, and strong – making it the easiest herringbone installation in the market.

One Beautiful Design – Two Versatile Formats

Lam dura brings versatility to your home's style by offering a variety of designs in herringbone (25.3" x 5.2") and traditional (50.6" x 7.6") plank formats. The Manor and Landmark collections feature six matching decors that enable you to have the best of both worlds and expand your favorite look into all areas of your home.

Lifetime Haus Protect Warranty

Pet friendly with protection against everyday household spills.

Certified Safe

All Inhaus laminate floors are GreenGuard Gold, Blue Angel, and ECO Institut certified for low VOC and formaldehyde emissions. You can be confident our products are among the safest for your home and family.
