

# ECOLAM IS SUSTAINABLY GREEN ECO FRIENDLY

## AN *ECO-FRIENDLY* ALTERNATIVE TO TRADITIONAL FLOORING

Take on a less is more approach with Ecolam. Featuring a 100% PVC-free construction, Ecolam is engineered with a denser, highly durable and more sustainable core.

Ecolam's lean, high-performing profile is eco-friendly and utilizes less resources, produces less waste, is transportation-efficient, and will have a lesser impact on your budget.

### PVC-FREE

100% free of PVC making it better for you and the environment.

### WATER RESISTANT

Pet friendly with protection against everyday household spills.

### ECO-FRIENDLY

Production uses less resources, generates less waste, creating a lighter product that is transport efficient.

### SCRATCH & DENT RESISTANT

Superior protection with LLT anti-scratch technology.

### UNMATCHED VALUE

Highest performance and quality at an unmatched value. Ecolam offers the best product for all budgets.

### DUOLOC

Ultra easy two-way installation system. Ecolam can be installed as angle-tap or angle-angle.

**Best-In-Class Air Quality and Sustainability**
